### OUR MISSION

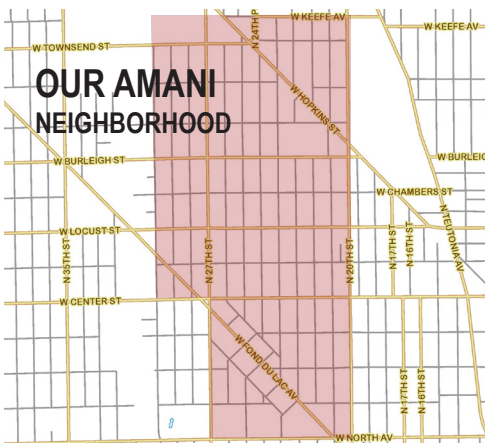

Dominican Center works with Amani residents and partners to build a better future.

### OUR APPROACH

People's lives are powerfully shaped by the neighborhoods in which they live. The Dominican Center believes Amani residents are closest to the solutions needed to revitalize the neighborhood. But they can't do it alone. We are all interconnected and impacted by the challenges faced in the Amani neighborhood. Our work supports resident-led efforts to create positive social change, and we need your help to achieve our vision.

*Supporting community change since 1995!*
