

## ELIZABETH BROWN

“My first revitalization plan strategy is to continue to bring culturally appropriate education, events, trainings, etc. to our community.”

- Lived in Amani for 5 years
- I am current Friends of Moody Park Chair & the Education & Family Well-Being Chair
- I am running for office because I would like to continue completing the goals and create a solid platform for future chairs.

### In office I would like to accomplish:

- Build stronger partner relationships
- Continue to strengthen community relationships
- Create a solid system within the community that works for the community

My first revitalization plan strategy is to continue to bring culturally appropriate education, events, trainings, etc. to our community
