

You Are Invited!

CELEBRATE OUR
25th
ANNIVERSARY

The Dominican Center invites you to celebrate our 25th Anniversary from the **comfort of your home!**

A few months ago we published our decision to postpone our May 3, 2020 event because your health is important to us. We had hoped to gather this fall, but we have now rescheduled our event for **May 23, 2021.**

We still Need Your Support for 2020!

Here is your official
**STAY HOME and
CELEBRATE 2020**
Invitation!

Help us continue to support the Amani residents to revitalize their community by supporting the MISSION of the Dominican Center.

Since demands are higher and needs are greater, Dominican Center remains committed to the Amani Community **NOW MORE THAN EVER.**

Donations this year supported students in the Adult Education program, Girls who Code, the Model Block Housing and Economic Development efforts, and weekly check-ins to keep Amani residents informed and connected to needed resources.

To those who made donations to support our 25th Anniversary, thank you!

Out of respect for all contributions, donations and reservations, we ask you to consider your contributions for the event as a donation to meet the Covid-19 recovery guidelines to reopen the Dominican Center. We will respect all wishes to donate and decisions to return contributions.

We would like to honor the sponsors who stepped forward for our event this year:

Presenting Sponsor: Northwestern Mutual; Gold Sponsors: BMO Harris Bank, The Greater Milwaukee Foundation, The Kordsmeier Family; Silver Sponsors: Reinhart, Denisha Tate & Associates, Brewers Community Foundation, Children's Wisconsin, the Milwaukee Bucks, PNC Bank

May God Bless You for Your Generosity!

Every gift makes a difference! If you did not give in support of our 25th Anniversary, or you are able to give more, PLEASE DONATE! You can send a donation using the enclosed envelope, or online at **www.dominican-center.org/get-involved**
